Hello, my name is Sean, I am currently a 6th grade student at Weston Middle School. I am in support of HB 5014. I am supporting HB 5104 because I am unhappy with people killing animals, especially if they're near extinction. I am a vegan. I am a vegan because I love animals and nature. When people kill the african animals just so that they can be amused, I write this testimony to support HB 5014. I hope you will make the right decision for not only our sake, but for the animals sake.
